

Golf Course Superintendent Park Hills Golf Course | Freeport Park District Freeport, Illinois

Lead the Future for a Premier Northern Illinois' Public Golf Facility

The Freeport Park District is seeking an experienced, innovative, and highly motivated **Golf Course Superintendent** to lead the agronomic and maintenance operations of **Park Hills Golf Course**, a premier 36-hole public golf facility in Freeport, Illinois.

This is an outstanding opportunity for an accomplished turf management professional who takes pride in producing exceptional playing conditions, developing a strong maintenance team, and helping shape the long-term future of a substantial public golf operation.

About Park Hills Golf Course

Park Hills Golf Course is a **36-hole public golf facility situated on more than 300 acres of rolling terrain in Northwest Illinois**. The facility features two distinctly different 18-hole courses, mature tree-lined fairways, extensive practice facilities, and a long-standing reputation for providing quality playing conditions and an outstanding public-golf experience.

Both courses were designed by **C.D. Wagstaff in 1955**, providing Park Hills with more than 70 years of golf history.

The **East Course** is a classic parkland layout measuring **6,503 yards from the back tees**. The par-72 course has a 70.8 course rating and 124 slope and features rolling, tree-lined fairways, strategically placed bunkers, and a variety of holes that reward thoughtful shot-making while remaining enjoyable for golfers of varying abilities.

The **West Course** provides a more demanding test, measuring **6,627 yards from the back tees**. The par-72 layout has a 71.9 course rating and 128 slope. Elevation changes, mature trees, forced carries, strategically positioned bunkers, creeks, and undulating greens create a challenging and memorable golf experience.

In addition to its 36 holes, Park Hills offers a **300-yard natural-grass practice range with 15 hitting stations, two large practice putting greens, a fully stocked Pro Shop, Legacy Pub, and outdoor patio**.

The facility serves daily public play as well as leagues, tournaments, charitable and corporate outings, and special events throughout the golf season. Park Hills has also been recognized by **Golf Digest's Places to Play with a 3½-star rating for value and service**.

The Position

Reporting directly to the **Executive Director of the Freeport Park District**, the Golf Course Superintendent is responsible for planning, organizing, and directing all golf course maintenance and agronomic operations. Responsibilities include turfgrass management, irrigation and drainage systems, equipment and fleet maintenance, landscaping and tree care,

environmental compliance, budgeting, and supervision and development of full-time and seasonal maintenance staff.

Key Responsibilities

- Direct all maintenance and agronomic operations for two 18-hole golf courses and practice facilities.
- Develop and implement comprehensive turfgrass management programs.
- Manage irrigation systems, drainage, and water-conservation practices.
- Recruit, supervise, train, mentor, and develop maintenance personnel.
- Prepare and administer operating and capital budgets.
- Oversee golf course equipment and fleet maintenance.
- Coordinate daily course setup and tournament preparation.
- Ensure compliance with pesticide regulations, OSHA standards, and environmental requirements.
- Participate actively in planning future capital improvements and establishing the long-term vision for Park Hills Golf Course.
- Maintain excellent working relationships with golfers, vendors, contractors, Park District staff, and community partners.

What We're Looking For

The ideal candidate is a knowledgeable turf professional and proven leader who understands that exceptional golf course conditions are achieved through sound agronomic practices, careful planning, effective resource management, and the development of a strong maintenance team.

Preferred qualifications include:

- Associate's or Bachelor's degree in **Turfgrass Management, Agronomy, Horticulture, Plant Science, or a related field.**
- Minimum of **five years of progressively responsible golf course maintenance experience**, including supervisory responsibilities.
- Illinois Pesticide Applicator License or the ability to obtain one within six months.
- Strong knowledge of turfgrass management, irrigation systems, golf course maintenance equipment, and contemporary agronomic practices.
- Proven leadership, communication, budgeting, planning, and organizational skills.
- Commitment to environmental stewardship, continuous improvement, superior playing conditions, and an exceptional golfer experience.

Why Join the Freeport Park District?

The next Superintendent will have an opportunity to do more than maintain an established golf facility. This individual will have an important leadership role in determining the future of Park Hills Golf Course.

The successful candidate will have the opportunity to:

- Lead maintenance operations for a significant **36-hole public golf facility.**
- Work directly with a supportive Executive Director and management team.

- Build, mentor, and develop a high-performing golf course maintenance staff.
- Help establish priorities for future course, equipment, infrastructure, and capital improvements.
- Introduce new ideas and sound agronomic practices while building upon Park Hills' established traditions.
- Make a visible impact on the playing experience for thousands of golfers each year.

Compensation & Benefits

Starting Salary: \$78,000–\$87,000, depending upon qualifications and experience.

The Freeport Park District provides a comprehensive benefits package with an **estimated total compensation value approaching \$120,000 annually**, including employer-paid health insurance, participation in the **Illinois Municipal Retirement Fund (IMRF)** pension system, generous paid time off, and other excellent benefits.

The District also strongly supports professional development, including:

- GCSAA membership support
- Continuing education
- Conference attendance
- Professional licensing reimbursement

The position typically requires early mornings along with seasonal weekend, holiday, and weather-related responsibilities customary for golf course operations.
